City of Minot CDBG Disaster Recovery Action Plan Amendment #8

THE CITY OF MINOT ACTION PLAN AMENDMENT (NO. 8)

Class III Studies are being required by SHPO on properties that are being demolished under the buyout program, therefore \$24,000 is being moved into the demolition activity and the administration activity is being reduced by \$24,000. \$50,000 is being moved into the demolition project delivery and the Small Rental Program is being reduced by that amount. In addition, under the Small Rental/Reconstruction program there are some tenants occupying units. Therefore, \$175,000 will be moved from the Small Rental Program into the Relocation activity. Another minor adjustment was made adding money to the completed Acquisition and Demolition activities out of the Small Rental Program for final costs.
