It was also stated that the sealed bids are due at 10:00 A.M. on Tuesday, August 22, 2023, and will be opened and read aloud at that time.

Additionally, it was reminded that the completion date for this project is November 30, 2023; however, the winning contractor will be required to begin and maintain a steady work force per the contract documents.

It was also reiterated that this is a unit item contract and the total price provided will be set as the upper limit for billing purposes. This is **not** a lump sum contract.

It was mentioned by CDM Smith that the winning bidder must be registered with the System for Award Management (SAM.gov) and have no active exclusions prior to the contractor being awarded the project. Also, the winning bidder must not be debarred from working on HUD funded projects.

It was also stated that Line Item 00001, 2719 12<sup>th</sup> Ave SW, covers the main structure only. The garage and shed to the East of the main structure are on a separate lot and not included in this line item.
